

# Curriculum Vitae

**Family name: Brooks**

**First names: Nicholas Peter Justin**

**Proposed role: Climate change adaptation & resilience expert**

**Staff of: Garama 3C Ltd (Director)**

**Date of birth: 16<sup>th</sup> October 1968**

**Passport holder: UK**

**Education:**

Institution (Date from - Date to)	Degree(s) or Diploma(s) obtained:
University of East Anglia, Norwich, UK (1995–1999)	PhD. Climatic Research Unit, Thesis title: "Dust–climate interactions in the Sahel–Sahara zone of northern Africa, with particular reference to late twentieth century Sahelian drought".
University of Edinburgh, UK (1989–1993)	BSc (Hons.) Geophysics

**Language skills: Indicate competence on a scale of A1 to C21**

Language	Reading	Speaking	Writing
English	C2	C2	C2
French	B1	B1	B1
Arabic	A1	A2	A1

**Membership of professional bodies:** Visiting Research Fellow, Climatic Research Unit, University of East Anglia, Norwich, UK

**Other skills: (e.g. Computer literacy, etc.):** Proficient in various software packages on PC & Mac, including Microsoft Office (Word, Excel, PowerPoint); excellent research and writing skills including use of reference management software; skilled in delivery of professional training and facilitation.

**Present position:** Director, Garama 3C Ltd

**Years within the firm:** 9

**Key qualifications:**

- Over 20 years experience in field of climate change, with a focus on resilience and adaptation, in both academic and consultancy capacities. Consultancy experience includes work for AfDB, BEIS, DFID/FCDO, EC, GIZ, UNDP, UNEP, World Bank, and a range of academic, research and private sector organisations, as well as national governments.
- Design and delivery of training courses on climate change science, global policy contexts, adaptation and resilience planning, design, implementation, monitoring, evaluation and learning (MEL), for a range of clients including governments, international agencies and private sector. Includes updating of guidance on integrating environment and climate change into development cooperation and delivery of associated training for European Commission.
- Extensive experience in reviewing, assessing and evaluating development assistance and climate change projects and programmes with a focus on Africa; contributing author to 2007 IPCC Africa chapter.
- Extensive experience in developing guidance on adaptation design, programming and MEL, including: IIED's Tracking Adaptation and Measuring Development ([TAMD](#)) framework; recent [CAMELS](#) framework for adaptation action at the national level; [principles of good adaptation](#) based on Article 7 of the Paris Agreement; methodology for assessing resilience impacts for UK's International Climate Fund. Development of bespoke guidance on climate change screening and risk assessment for various clients.
- Experience of working in EU Strategic Partner countries and regions, including MENA region (Algeria, Jordan, Mauritania, Libya, Tunisia, Western Sahara) and sub-Saharan Africa (Ethiopia,

<sup>1</sup> At least C1 level for understanding, speaking and writing skills according to the Common European Framework of Reference for Languages available at <https://europass.cedefop.europa.eu/en/resources/european-language-levels-cefr>, as demonstrated by a certificate or by past relevant experience.

Kenya, Mozambique, South Africa, Tanzania); latter includes recent review of UK-funded Climate Resilient Infrastructure Development Facility for Southern African region.

**Specific experience in the region:**

Country	Date from - Date to
Nepal (multiple visits for fieldwork, workshops, etc.)	2017-2018
Ethiopia (multiple visits for fieldwork, workshops, conference)	1996-2019
Kenya (multiple visits for fieldwork, workshops, etc.)	2011-2017
South Africa (multiple visits for work on variety of projects)	2011-2017
Mozambique (single visit for delivery of training)	2015-2015
Tanzania (multiple visits for work on variety of projects)	2012-2014
Cambodia (multiple visits for work on single project)	2013-2014
Tunisia (multiple visits for fieldwork, transit & work with AfDB)	2000-2012
Jordan (single visit for stakeholder consultations)	2010-2010
Japan (single visit as invited speaker at Ibaraki University)	2009-2009
United States (multiple visits as part of work with UNDP)	2006-2009
Western Sahara (multiple visits for fieldwork)	2002-2009
Algeria (multiple visits associated with work in Western Sahara)	2002-2009
Peru (single visit for UNDP workshop)	2008-2008
Mauritania (multiple visits for fieldwork & workshop)	2004-2007
Thailand (single visit for workshop)	2007-2007
Namibia (multiple visits for workshops & personal travel)	1993-2007
Gambia (single visit for workshop)	2006-2006
Libya (multiple visits for fieldwork)	2001-2006
Egypt (multiple visits for personal travel)	1993-2006
Cuba (single visit for workshop)	2002-2002
Ghana (single visit for workshop)	2002-2002
Syria (single visit for personal travel)	1993-1993
Botswana (single visit for personal travel)	1993-1993

## Professional experience:

Date from - Date to	Location	Organisation (contact person <sup>2</sup> )	Position	Description
2012-21 (ongoing)	UK, Global	Garama 3C Ltd (n/a)	Director	<ul style="list-style-type: none"> <li>Running a small climate change consulting firm and delivering consultancy to clients on climate change integration, screening, risk assessment, development of M&amp;E frameworks, climate change country assessments.</li> <li>Development and delivery of regular Garama courses on <i>Adapting to Climate Change</i>, with content on global science and policy contexts; climate change integration/mainstreaming; adaptation and resilience frameworks, decision-making, and MEL; as well as tailored training courses for a variety of clients within and outside the UK, including developing country governments.</li> </ul>
2021	UK, Western Sahara	Pro bono work for government of Sahrawi Arab Democratic Republic	NDC Coordinator	<ul style="list-style-type: none"> <li>Initiating and coordinating development of Nationally Determined Contribution for disputed non-self-governing territory of Western Sahara, for the Sahrawi government.</li> </ul>
Jan-Jun 2021	UK, Global	IIED (Emilie Beauchamp: emilie.beauchamp@iied.org)	Consultant	<ul style="list-style-type: none"> <li>Development of a set of principles for integrating climate change into evaluations of sustainable development initiatives.</li> </ul>
Jul-Dec 2020	UK, Global	South-South North (Donald Barclay: donald@southsouthnorth.org)	Consultant – adaptation and resilience	<ul style="list-style-type: none"> <li>Support to UK government on COP26 Call to Action on Adaptation and Resilience, including development of eligibility criteria for showcase resilience and adaptation initiatives, framing of UK position on resilience and adaptation based on adaptation principles.</li> </ul>
Jul-Sep 2020	UK, Southern Africa	South-South North (Donald Barclay: as above)	Lead consultant	<ul style="list-style-type: none"> <li>Learning on resilience, adaptation and the use of climate information for the DFID Climate Resilient Infrastructure</li> </ul>
Jan-Sep 2020	UK, MENA region	Mott MacDonald (Rob Nieuwenhuis: Rob.Nieuwenhuis@mottmac.com)	Climate Change Lead	<ul style="list-style-type: none"> <li>Leading on climate change aspects of Evidence Mapping on Climate Change and Water Stress I the MENA region for DFID MENAD.</li> </ul>
Apr-May 2020	UK, Global	IMC Worldwide (Louise Clathro: Louise.Cathro@imcworldwide.com)	Evaluator	<ul style="list-style-type: none"> <li>Evaluation of proposals to DFID High-Volume Transport programme, to assess in terms of quality and relevance to climate change mitigation adaptation and inclusion.</li> </ul>
Sep 2019 – Mar 2020	UK, Global	DAI Europe (Richard Heap: richard_heap@dai.com)	Consultant - adaptation and resilience	<ul style="list-style-type: none"> <li>Providing strategic technical oversight of scoping phase of DFID Climate Adaptation and Resilience (CLARE) programme, including lessons from multiple initial scoping studies and technical facilitation of scoping workshop. Attendance at African Climate Risks 2019 conference in Addis Ababa for learning around landscape of adaptation and resilience programming in Africa with a focus on climate science, information and services.</li> </ul>
Oct-Dec 2019	UK	Climate-KIC (Susannah FisherL: susannahfisher@googlemail.com)	Key Expert	<ul style="list-style-type: none"> <li>Commissioned for expert study on the role of values in social tipping points for climate action, and development of adaptation metrics for Climate-KIC portfolio.</li> </ul>
Aug 2018 – Sep 2019	UK, Global	IPE Global (Zsofia Kovacs: Zsofia.Kovacs@tripleline.com)	Consultant – climate change science and adaptation	<ul style="list-style-type: none"> <li>Adviser on climate science and adaptation for long-term formative evaluation of Climate Leadership in Cities (CLIC) Programme for UK Department of Business Energy and Industrial Strategy. Focus on Climate Action Planning component of CLIC and evaluation of performance against goal of achieving Paris Agreement targets.</li> </ul>

<sup>2</sup> Name of contact person within named organisation at time of assignment, were relevant/available. Contact may no longer be at this organisation.

Dec 2017 – Jun 2019	UK, Global	IIED (Simon Anderson: simon.anderson@iied.org)	International Climate Change Adviser	<ul style="list-style-type: none"> <li>Support to the Paris Agreement on monitoring, evaluation and learning (MEL) of climate change adaptation, including review of national adaptation M&amp;E systems and preparation of briefing notes and other outputs. Major outputs include technical paper on framing adaptation and adaptation MEL in relation to climate change science &amp; impacts, Paris Agreement goals and reporting mechanisms, Katowice climate package, SDGs and other development goals over the 21<sup>st</sup> century. Project funded by GIZ.</li> </ul>
Nov 2018 – Mar 2019	UK, Nepal	IMC Worldwide (Damien Faget: Damien.Faget@imcworldwide.com)	Team Leader	<ul style="list-style-type: none"> <li>Leading literature review on tools for measuring resilience, to identify tools and methods that are potentially applicable or adaptable for use across DFID Nepal's Resilience Portfolio.</li> </ul>
Oct. 2017 – Jun 2018	UK, Nepal	Landell Mills (Jessica Morrissey: JessicaM@landell-mills.com)	Resilience & Adaptation M&E Consultant	<ul style="list-style-type: none"> <li>Resilience and adaptation specialist on Landell Mills transition team supporting Government of Nepal transition from Phase I to Phase II of the NCCSP, focusing on improving the delivery and effectiveness of Local Adaptation Plans of Action under Nepal's transition to a federal structure. Main activities have involved reviewing LAPA processes and revising the LAPA manual, developing methodologies for risk &amp; vulnerability assessment, prioritising adaptation actions and improving the effectiveness of adaptation, training and sensitisation of NCCSP staff, and providing other key inputs on development of new LAPA policies and architecture. Work included 4 visits to Nepal, including Kathmandu and field locations.</li> </ul>
2016-2017	Kenya	DAI (Noelle O'Brien: Noelle2020@gmail.com)	Consultant	<ul style="list-style-type: none"> <li>Identification of lessons on the effectiveness of resilience and adaptation interventions delivered by partners under the StARCK+ (Strategic Adaptation and Resilience to Climate Change in Kenya) programme, and guidance on resilience and adaptation reporting and reporting against institutional indicators and indicators of transformational change (UK International Climate Fund Key Performance Indicators). Work included two visits to Kenya, including Nairobi and a variety of field sites.</li> </ul>
2015-2017	UK, South Africa	Adam Smith International / Vuna Programme (Liesl Keam: Liesl.Keam@mottmac.com)	Consultant	<ul style="list-style-type: none"> <li>Input to proposal for Vuna programme on Climate Smart Agriculture Programme, development of CSAP theory of change, M&amp;E system and log-frame; review of transformational adaptation and relevance to CSAP context in East and Southern Africa; organisation and running of conference in South Africa on transformational adaptation in the agriculture sector in East and Southern Africa.</li> </ul>
2015-2016	UK	IMC / Climate Compass programme (Pallu Modi – no longer at IMC)	Lead (indicators)	<ul style="list-style-type: none"> <li>Lead on review, refinement and development of Key Performance Indicators for the UK's International Climate Fund as part of Climate Compass (previously ICF-MEL) programme.</li> </ul>
2009-2016	UK	University of East Anglia (Roger Few: r.few@uea.ac.uk)	Climate change trainer	<ul style="list-style-type: none"> <li>Contribution to development of, and delivery of training sessions on UEA School of International Development 2-week course on Climate Change and Development (on adaptation, climate change risks, mainstreaming, etc).</li> </ul>
2015	Mozambique	Government of Mozambique (Deolinda Nunes - contact details no longer on record)	Trainer	<ul style="list-style-type: none"> <li>Development and delivery of training on climate change, adaptation, mainstreaming &amp; M&amp;E for Government of Mozambique Ministry of Transport and Communication in context of its Spatial Development Programme.</li> </ul>
2015	UK	ODI (Katie Peters: k.peters@odi.org.uk)	Trainer	<ul style="list-style-type: none"> <li>Development and delivery of training on adaptation M&amp;E for Overseas Development Institute.</li> </ul>
2015	UK	ITAD (Barbora Sladkova: barbora.sladkova@itad.com)	Trainer	<ul style="list-style-type: none"> <li>Development and delivery of training on adaptation M&amp;E for ITAD.</li> </ul>
2014	South Africa, UK	Adam Smith International (ASI) (Liesl Keam: see above)	Consultant & trainer	<ul style="list-style-type: none"> <li>Guidance on development of proposal for DFID Climate Smart Agriculture Programme</li> <li>Training ASI staff on adaptation M&amp;E</li> <li>Training ASI staff and partners on climate change &amp; adaptation mainstreaming</li> </ul>
2014	Kenya	Swiss Agency for Development & Cooperation (SDC) (Miriam Macchi – no longer at SDC)	Consultant & trainer	<ul style="list-style-type: none"> <li>Training and facilitation on week-long workshop on climate change in Southern and Eastern Africa, focusing on mainstreaming adaptation into SDC projects.</li> </ul>

2011-15	UK, Kenya, Tanzania	IIED (Simon Anderson: see above)	Climate change M&E consultant	<ul style="list-style-type: none"> <li>Part of team developing <i>Tracking Adaptation and Measuring Development (TAMD)</i> framework for monitoring and evaluating adaptation and adaptation-related development interventions. Lead author of two TAMD conceptual and technical papers, lead developer of indicators for evaluating climate risk management focusing on national level, and associated methodological notes.</li> <li>Delivery of training on climate change mainstreaming to Irish Aid staff in Dar es Salaam, with IIED partners.</li> <li>Review of climate change issues for Irish Aid projects in northern Uganda.</li> </ul>
2010-2014	UK	Department for International Development (Ian Curtis – no longer in role)	Climate change consultant and trainer	<ul style="list-style-type: none"> <li>Development of programme-level M&amp;E system and detailed methodology for measuring resilience to report against ICF Key Performance Indicator No.4 for BRACED programme, as part of Interim BRACED Knowledge Management contract with Ricardo-AEA and Landell Mills.</li> <li>Review of methodologies for measuring resilience and development of draft methodology for measuring improvements in resilience resulting from interventions under the ICF and BRACED programmes.</li> <li>Development of draft adaptation results indicators for UK's International Climate Fund, focusing on adaptation but including indicators relevant to both adaptation and mitigation.</li> <li>Screening of DFID Tanzania and DFID Rwanda portfolios for climate change risks and opportunities (part of Strategic Programme Reviews (SPR) and SPR update).</li> <li>Provision of numerous training courses for DFID staff on climate change, at DFID HQ in London and at other events and retreats (e.g. Climate and Environment Advisers' retreat).</li> </ul>
2012-2013	UK	RSK/EBRD (contact details no longer on record)	Climate change consultant	<ul style="list-style-type: none"> <li>Climate change adaptation specialist on Southern and Eastern Mediterranean Environmental and Social Assessments for EBRD, responsible for preparing desk studies of climate change issues for Morocco and Tunisia as part of wider environmental and social assessments for EBRD.</li> </ul>
2010-2012	UK, Tunis	University of East Anglia and African Development Bank (Roger Few: see above; Balgis Osman el-Asha)	Climate change consultant and trainer	<ul style="list-style-type: none"> <li>Lead consultant on review of Climate Change and Africa</li> <li>Lead consultant in development and delivery of training package on climate change for AfDB senior staff (through UEA). Topics include climate change and agriculture; climate change, energy and transport – modules on climate science, impacts, adaptation, mainstreaming/integration, finance, negotiations, etc. Contact:</li> </ul>
2011	UK	University of East Anglia and International Alert (Roger Few: see above)	Climate change specialist	<ul style="list-style-type: none"> <li>Expert input into project titled “A Strategic Approach to Climate Change in the Context of Water Resources Management in the Niger River Basin”, consisting of synthesis of scientific information on climate change &amp; variability in the Sahel, &amp; links between climate change/variability, livelihoods, migration, conflict &amp; adaptation.</li> </ul>
2011	2012	IDRC and IIED (Simon Anderson: see above)	Mentor	<ul style="list-style-type: none"> <li>Mentor on Climate Change and Adaptation in Africa Technical Expert Network, assisting African researchers in preparing publications for peer reviewed journals.</li> </ul>
2011	UK	ICIMOD (Nepal) (Jean-Yves Gerlitz – no longer at ICIMOD)	Climate change consultant	<ul style="list-style-type: none"> <li>Review of vulnerability framework and vulnerability assessment household survey questionnaire.</li> </ul>
2010-2011	Brussels	European Commission (E6) and ADE (ADM project) (Chloé de Soye)	Climate change consultant and trainer	<ul style="list-style-type: none"> <li>Revision of EC's <i>Guidelines on the Integration of Environment and Climate Change in Development Cooperation, to include more climate change content (additional annexes on climate risk assessment, further guidance on climate change integration)</i></li> <li>Development and delivery of 1-day course on climate risk assessment</li> <li>Contribution to training on environmental integration</li> </ul>
2009-2017	UK	University of East Anglia (Roger Few: see above)	Climate change consultant and trainer	<ul style="list-style-type: none"> <li>Extensive training provision on annual 2-week Climate Change and International Development course</li> <li>Contribution to project on climate change, water resources and conflict in the Niger Basin, involving preparation of two background papers, on (i) review of climate change and variability contexts in the Sahel, (ii) review of climate change, development, water resources and conflict in the Sahel.</li> <li>Contribution to review of research on climate change &amp; migration for CDKN</li> </ul>

2009-2010	UK, Jordan	Coyne & Bellier / Tractabel Engineering (David Meehan – contact details no longer on record)	Climate change consultant	<ul style="list-style-type: none"> <li>Provision of desk review incorporating results of regional consultation with key experts on the implications of climate change for the feasibility of the proposed Red Sea – Dead Sea Water Conveyor, for World Bank.</li> </ul>
2009-2010	UK	DFID & University of East Anglia (Roger Few: see above)	Climate change consultant & trainer	<ul style="list-style-type: none"> <li>Leading role in development &amp; delivery of climate change training packages for DFID at HQ (3 days), Environment Advisers’ Retreat (3 days), Social Development Advisers’ Retreat (1 day, including presentation on climate change and conflict).</li> </ul>
2008-2009	UK, USA (Washington)	World Bank (Ian Noble: contact details no longer on record)	Climate change consultant	<p>Member of Expert Group for World Bank Pilot Programme on Climate Resilience. Tasks included</p> <ul style="list-style-type: none"> <li>Development of risk framework for selection of countries to participate in PPCR</li> <li>Selection of countries for participation in PPCR, with other Expert Group Members</li> <li>Reporting and presentation to World Bank on country selection process and outcomes</li> </ul>
2005-2010	UK, USA (New York), plus various international locations	UNDP (Bo Lim - deceased)	Climate change consultant & trainer	<p>General consultancy work in a wide range of capacities related to climate change science, impacts, and adaptation to climate change, including: preparation of review paper on climate change and migration; development of climate change screening procedure for UNDP’s climate change and adaptation safeguards; delivery of training on climate change for senior managers of UNDP Regional Offices for Asia, Africa, Arab States, and Europe and CIS, on 1-week dedicated training course at IRI, Columbia; design of framework for relative country-level risk assessment and programming; preparation of “Quality Standards for Adaptation”; input into M&amp;E frameworks, Thematic Areas on Adaptation; development of adaptation project proposal (PIF) for the coastal sector in Mauritius; lead author of Technical Paper on Adaptive Capacity for Adaptation Policy Framework (APF).</p>
2006	Gambia	UNESCO (contact details no longer on record)	Climate change consultant	Provision of guidance for Adaptation to Climate and Coastal Change in West Africa project, including field visits, facilitation at stakeholder meeting, and development of project proposal
2006	UK/Kenya	World Conservation Union (contact details no longer on record)	Climate change consultant	World initiative on Sustainable Pastoralism, preparation of discussion paper on Climate Change
2005-2006	Germany	German Advisory Council on Global Change (Prof. H-J. Schellnhuber - contact details no longer on record)	Climate change consultant	Coordination of commissioned expert study on “Sea-Level Rise: Coastal Impacts and Responses” for WBGU Special Report: “The Future Oceans: Warming Up, Rising High, Turning Sour”, addressing future sea-level rise scenarios and their implications for coastal nations.
2004	UK	Economic & Social Research Council/University of East Anglia (contact details no longer on record)	Climate change consultant	Commissioned paper on climate change and variability in the Sahel-Sahara region for UK.
2004	UK-Germany	Tyndall Centre for Climate Change Research (Prof. H-J. Schellnhuber)	Climate change consultant	Preparation of policy paper on climate change with Prof. H-J. Schellnhuber for Anglo-German meeting on climate change organised by British Embassy, Berlin, addressing latest scientific understanding of climate change and its implications for policy.
2004	UK	UK DEFRA/Tyndall Centre (UEA) (Prof. Mike Hulme - contact details no longer on record)	Climate change consultant	Preparation of briefing paper on stabilisation of atmospheric greenhouse gases and global temperatures with respect to Article 2 of the UN Framework Convention on Climate Change in preparation for the “Avoiding Dangerous Climate Change”.
2001-2005	UK	Tyndall Centre for Climate Change Research (Prof. Neil Adger, University of Exeter)	Senior Research Associate	Working on various projects and consultancies, including a major project on vulnerability and adaptation to climate change which included the development of national-level indicators of vulnerability and capacity to adapt to climate change.
1999-2001	UK & South-Western Libya	University of Reading, Department of Geography (Dr. Kevin White: k.h.white@reading.ac.uk)	Senior Research Associate	Working on the <i>Fezzan Project</i> : doing desk studies of past climatic and environmental change in northern Africa, and the identification of indicators of past environmental change using satellite remote sensing and through field surveys.
